# MONARCH'S FARMERS' MARKET

## WHAT IS THE MONARCH FARMERS' MARKET?

To support our families food needs, we have a monthly farmers' market where families and alumni visit campus and pick out fresh produce in a farmers' market style set up. We ask to have a group of 7-10+ volunteers to help set up canopies, tables, stage the produce, and assist with clean-up. The time frame for a farmers' market is from 3pm-5:00pm.

\*Only volunteers 18+ allowed
